A Simple Solution  
**UNPARALLELED  
RESULTS**

## The Benefits of Clear Aligners

**Patient-Driven**

**Minimal Chair Time**

**High ROI**

**Esthetic & Convenient**

Clear aligners are an esthetic and convenient alignment solution.

Everyday, more patients are searching for a superior alternative to traditional braces. Incorporating aligners into your practice will allow you to cater to current and potential clients and provide them with a solution that easily integrates into their lives.

### **LEVEL 1 - LIMITED 6**

Indicated for patients who require minimal alignment.

### **LEVEL 2 - LIMITED 12**

Indicated for patients who require moderate alignment.

### **LEVEL 3 - UNLIMITED**

Indicated for patients who require advanced alignment.

# Discover the Smile Shapers Difference

## Partner with a Leading Aligner Company

Fabricated out of biocompatible plastic, these clear aligners are virtually invisible, durable, and comfortable. Your patients will be astonished by how seamlessly our aligners blend in with their teeth and their life. These sequential aligners will gently shift teeth into alignment, so that every plan ends in a perfect smile.
